UTAH STATE OFFICE OF EDUCATION

1. Complete the following items using your Awarded Funds Approval document:

- School Name
- School #
- Awarded Fund #

2. Complete the “BUDGET APPROVED BY USOE” column using your approved budget document.

3. Complete the “EXPENSE 1st Period July - June” column

- Fill in FY
- Put in rounded dollar amounts you are claiming (no “cents”) in the “EXPENSE 1st Period July - June” column. NOTE: This worksheet contains formulas to calculate the TOTAL EXPENSE TO DATE column.
- Make sure to “save as” including date of request in document name.

Second (or subsequent) request

- Open your previously saved reimbursement form. Again, “save as” with new date in document name.
- On your new form, under ENTER DATE OF CURRENT REPORT PERIOD move the amount you had previously listed in line #4 (Total Expenditure To Date) to line #2 (Total Amount Previously Reported) and it will clear the value from line #3 (Expenditure Amount This Report Period Only).
- Enter the new dollar amounts you are claiming in EXPENSE 1st Period July – June column using the formula (=old amount requested on first reimbursement request + new amount requested for this request). NOTE: The EXPENSE 1st Period July – June will always be the cumulative total requested for the entire grant period, not only the amount requested for this month.
- Check that you have completed the form correctly: verify that new line #2 (Total Amount Previously Requested) matches your old line #4, that new line #4 now indicates the grand total you have expended to date, and that line #3 (Expenditure Amount This Report Period Only) matches the new amount you want to be reimbursed this month.

NOTE: The supporting documentation must be completed and maintained at the school site for all items listed in the “EXPENSE 1st Period July - June” column. This documentation must be available for review upon request, and must be submitted to the Charter School Section office by October 31st 2007.
